How did I get involved in Twirling	Through my daughter Kathy, started as a supportive parent with Lydd Ladybirds getting involved with all the team events. Driving the Minibus, doing the music at regional then National competitions. Lucky to be involved with International competitions, World and European Championships.
Most memorable twirling occasion	Being part of the team hosting the 2014 World Championships in Nottingham. So proud of our achievements.
Interesting fact about me	I love playing Badminton, used to be a pretty good player. I ride a motorcycle and am currently being trained to achieve my advanced licence.
